Team-insert lot — list at \$18

Duplicates flagged inline (Brooks Lee, Cal Raleigh, Bubba Chandler, Corey Seager) — confirm each is a real second physical copy before listing both; if either turns out to be a re-scan, just drop the extra row and the lot still holds together. Two team-print quirks to eyeball: Miguel Cabrera (Giants uniform on an Allen & Ginter throwback) and Rafael Devers (Giants on a Chrome insert). All prices are raw/ungraded typical-value list points from the July 2026 comp pass — nothing posted yet, this is the plan for review.
