

Auction HQ — DURING — Run of show

Jason · Mike · Moo · print & tape to the wall

- **Go live ON TIME**
Consistency is the #1 algorithm lever
- **30-second intro**
What's selling tonight + how the room works
- **Giveaway in first 5 min**
Follow-to-enter, tied to real inventory
- **Open with cheap \$1-start bangers**
Warm the room and the discovery algorithm
- **Call every card fully**
Year -> product -> parallel -> player; show comp, start below it
- **Keep chat warm**
Greet by name, answer questions, never go quiet
- **Pin 3+ Buy-It-Now items**
~40% of sales come from BIN
- **LOG every sale to a buyer**
This is what makes packing accurate
- **Bring the good cards out mid-show**
Once the audience is present and bidding
- **Second giveaway to retain**
Space them to hold viewers
- **Hold pace 30-60 cards/hr**
Short timers on cheap, longer on premium
- **Honest condition on camera**
The recording is your dispute protection
