

Baseball batch — sort & pricing worksheet (HOLD)

179 cards · Scans 391-411 · raw/ungraded eBay-comp estimate · NOT posted — more scans pending

Batch total: \$254 – \$928 (typical ~\$549)

Sort verdict: all lot material, with one exception. Nothing else in this batch clears an individual-listing threshold on real comps — even hyped rookie/star names (Burns, Yesavage, Teel, Caissie, Schlittler, Basallo, Murakami, Skenes, Mayer, Eldridge) and HOF legends (Wagner, Koufax, Ryan, Clemente, Frank Thomas) are running \$1-9 raw for these base/insert versions. Bundle by theme (rookies / veterans / legends / prospects) at 5 cards or fewer per lot. Three real numbered/certified autographs are worth pulling as singles: Roenis Elias II /45, Juan Morillo /199, and the Paul O'Neill Topps Certified Autograph (unnumbered but a real Yankees-legend auto, \$20-38).

Scan 397 — Topps 75 chrome/crystal parallels

	Card	Variant	Low	Typ	High

How to read this: prices are RAW/ungraded July 2026 eBay-comp estimates (asks, sold runs a bit under). Most of this batch is common Topps/Panini base-insert parallels — the bulk is \$1-4 even for name-brand rookies and stars. Flagged items worth a second look: the Mark McGwire Upper Deck 'Capture the Flag' vintage insert (Scan 394, older/different product than the rest); THREE apparent duplicate designs across this batch — Brooks Lee star insert (Scan 396, both copies), Cal Raleigh Topps Heritage AL All-Stars (Scans 407 & 401), and Bubba Chandler baseballs insert (Scans 394 & 399) — confirm each is a real second physical copy and not an accidental re-scan; and two cards with team-print quirks to eyeball (Miguel Cabrera shows Giants on an Allen & Ginter throwback, Taylor Ward prints Orioles/BAL, Rafael Devers shows Giants on a Chrome insert). HOLD: nothing posted, waiting on more scans before finalizing lot groupings.
