

eBay Standard Envelope — Claim Packet

Seller: harpua2001 (Jason Chletsos) - 9 claims, \$73.78 - file at pip-claim.com

THINGS I NEED TO DO MYSELF

- [] Have my PayPal email ready — the reimbursement gets paid there.
 - [] For EACH order: screenshot the eBay Order Details (My eBay > Sold > the order > View order details).
 - [] For EACH order: screenshot the buyer's 'didn't arrive' / 'arrived damaged' message (Messages or the case).
Only #8 (Greg Hilliard) has a formal case on file. For the 8 Loss claims I need a real buyer message —
if a buyer never messaged me about it, skip that one (the form warns against fraudulent claims).
 - [] Claim #7 (dean ebisuya): find the eSE tracking on the order page — the form requires a tracking number.
 - [] File each claim at pip-claim.com (one submission per order) and attach the 2 screenshots.
 - [] Eevee PSA 9 (\$17.70): file SEPARATELY at usps.com/claims (USPS Ground Advantage, \$100 insurance).
-
